QR Code Instructions

Scan QR Code to Request Free Package Pickup
or to Find a Post Office to drop off Packages

1. Center the label onto the largest side of the package so that the label information does not wrap around any edge.
2. If not using a self-adhesive label, tape or glue shipping label to the package. DO NOT TAPE OVER BARCODE. Be sure all label edges are secured.
3. DO NOT PHOTOCOPY. Each shipping label number is unique to the intended shipment and can be used only once. If needed, contact merchant for replacement label.
4. If reusing box or container, remove, cover, or mark out completely any other barcode and address markings.
5. Mail the parcel at a Post Office, drop it in a collection box, leave it with a letter carrier or schedule a free carrier pickup at usps.com

Thank you for shipping with the United States Postal Service!

Check the status of your shipment on the Track & Confirm page at www.usps.com
